The Time has come

'THE HARDER YOU WORK,
THE LUCKIER YOU GET'

OUR EXPERIENCE YOUR SUCCESS

The Gillespie Sports Winter Academy has been going quite a few years now and the success can only be measured on game day. The pleasing thing for us is not only the amount of players that have made SACA squads but also the number of players who are either now playing A Grade at District level or those that are knocking on the door at a higher level at their respective community clubs.

The improvement is there to see. You don't get this level of coaching at any club in South Australia.

Due to the high demand for places, we will continue with a choice of 2 time slots for both U13's and U16's.

The fitness sessions will continue as before. We certainly saw some real benefits for each attendee and we hope you did too. The real benefits will be seen down the track as your young Cricketers get into their careers. Cricket, especially the bowling side of things, is very hard on the body so to have a strong core is the only way to go.

THE PROGRAMME

It is a tried and tested 13 session program with a few tweaks each year. It isn't rocket science, to get better, we have to make sure the players are technically correct and to make sure this happens, we have to have a certain amount of net sessions mixed with fitness and other speciality sessions to get your young Cricketers thinking.

Bowling machines and will be used in certain sessions to help along the way.

HOW TO BOOK

Simply complete the Booking form and either email to **coaching@gillespiesports.com.au** or post to P.O. Box 37, Klemzig SA 5087

Numbers will be limited so that we ensure each participant receives maximum coaching time. While we obviously want the Academy to grow, we need to make sure we are getting results so limiting numbers will mean that getting another Redbacks or Scorpion player isn't too far off!

A CHANCE TO TOUR OVERSEAS

In July of 2019, an U19 Squad departed Adelaide for a tour of the UK. Arguably the best tour we have ever taken. We held our own in most games and had a great time doing it. Unfortunately the only negative was getting to see South Africa trounce the Aussies in the last World Cup game at Old Trafford.

Future tours are uncertain at this point but we will keep you posted as we know more.
