The Time has come

'THE HARDER YOU WORK, THE LUCKIER YOU GET'

OUR EXPERIENCE YOUR SUCCESS

The Gillespie Sports Winter Academy is in its 12th year now and the success can only be measured on game day.

The pleasing thing for us is not only the amount of players that have made SACA squads but also the number of players who are either now playing A Grade at District level or those that are knocking on the door at a higher level at their respective community clubs.

The improvement is there to see. You don't get this level of coaching at any club in South Australia.

Due to the high demand for places, we will continue with a choice of 2 time slots for both U13's and U16's.

The fitness sessions will continue as before. We certainly saw some real benefits for each attendee and we hope you did too. The real benefits will be seen down the track as your young Cricketers get into their careers. Cricket, especially the bowling side of things, is very hard on the body so to have a strong core is the only way to go.

THE PROGRAMME

It is a tried and tested 12 session program with a few tweaks each year. It isn't rocket science, to get better, we have to make sure the players are technically correct and to make sure this happens, we have to have a certain amount of net sessions mixed with fitness and other speciality sessions to get your young Cricketers thinking.

Bowling machines will be used in certain sessions to help along the way and new automatic feeders will allow the coaches more contact time.

Refunds for missed sessions will be at the discretion of Gillespie Sports.

HOW TO BOOK

Simply complete the Booking form and email to coaching@gillespiesports.com.au

Numbers will be limited so that we ensure each participant receives maximum coaching time. While we obviously want the Academy to grow, we need to make sure we are getting results so limiting numbers will mean that getting another Redbacks or Scorpion player isn't too far off!

A CHANCE TO TOUR OVERSEAS

With all recent tours cancelled due to Covid, the boys have missed the opportunity to tour and play overseas. With the world seemingly ready to open up again, we will be back into full swing with a tournament to the Sunshine Coast in April of 2022. July of 2022 will see an U18 Squad participate in the Sir Garfield Sobers Tournament in Barbados, our first time! Also in the planning stage is a 2023 trip to Dubai to defend our 2019 win in the Arch Cup.

We will keep you posted.
