Lads line up ready to play North Leeds

PitchVision is a brand new coaching tool that is revolutionising how we coach at Gillespie Sports. Very similar to Channel 9's Hawkeye, it gives us the ability to actually show the batsman and bowlers the last ball faced or bowled, with runs scored, speed bowled, hit wicket, lbw or not. Members can access each session via the PitchVision website or App on your mobile. Those who have used it so far have been very much impressed by it's ease of use and the benefits to all. If you enroll your young Cricketer, they will be able to use PitchVision during allocated sessions.

# 'THE HARDER YOU WORK, THE LUCKIER YOU GET'

## OUR EXPERIENCE YOUR SUCCESS

The Gillespie Sports Winter Academy has been going quite a few years now and the success can only be measured on game day. The pleasing thing for us is not only the amount of players that have made SACA squads but also the number of players who are either now playing A Grade at District level or those that are knocking on the door at a higher level at their respective community clubs.

The improvement is there to see. You don't get this level of coaching at any club in South Australia.

Due to the high demand for places, we will continue with a choice of 2 time slots for both U13's and U16's.

The fitness sessions will continue as before. We certainly saw some real benefits for each attendee and we hope you did too. The real benefits will be seen down the track as your young Cricketers get into their careers. Cricket, especially the bowling side of things, is very hard on the body so to have a strong core is the only way to go.

## THE PROGRAMME

It is a tried and tested 13 session program with a few tweaks each year. It isn't rocket science, to get better, we have to make sure the players are technically correct and to make sure this happens, we have to have a certain amount of net sessions mixed with fitness and other speciality sessions to get your young Cricketers thinking. Bowling machines and PitchVision (members only) will be used in certain sessions to help along the way.

**Mail your Nomination Form to:  
Post - P.O. BOX 37 Klemzig SA 5087**

## HOW TO BOOK

Simply complete the Booking form and either email to **coaching@gillespiesports.com.au** or post to P.O. Box 37, Klemzig SA 5087

Numbers will be limited so that we ensure each participant receives maximum coaching time. While we obviously want the Academy to grow, we need to make sure we are getting results so limiting numbers will mean that getting another Redbacks or Scorpion player isn't too far off!

## A CHANCE TO TOUR OVERSEAS

In July 2017 two Gillespie Sports squads, U19 and U16, took off from Adelaide Airport to play games in Wales, Northern England, Surrey and Amsterdam. A great time was had by all. The boys (and parents) got to experience what an Australian Test team would go through with travel, different hotels and playing surfaces.

April of 2018 will see a Gillespie Sports squad play a series of matches in South Africa. The first time we have toured this part of the world.
